ABOUT US

Hope for the Inner City is a Christian ministry in East Chattanooga that helps the urban poor to become self-sufficient.

The organization partners with churches, businesses and other agencies to offer emergency relief and personal development services to Chattanooga's inner-city poor, including food and medical assistance, job-readiness coaching, dental care, adult literacy classes and homeownership training.

*"The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, to proclaim the year of the Lord's favor."
